

New Convenient Tuition Payment Option!

Dear Parent

Our goal at Diane's Dance Studio is to provide the highest quality of dance education. As you know we currently collect our class fees each month at the beginning of the month. This collection system takes a lot of staffing hours, and takes time away from activities like planning classes, choreography and providing the highest quality of dance education.

To make things easier and more streamlined we are offering a system of auto-debit from a checking account for fee collection. The fees are still paid monthly.

Next year's fees are increasing from \$40 to \$42 per month, but if you pay by one of the automated systems, will extend this year's lower fees to you for the whole following teaching year.

As you know time is money. The auto charge method will save us hours of book keeping so we will gladly pass on the \$20 savings to you for the following year.

Thank you for helping us with this change so we can continue to provide the highest quality of dance education.

If you have any questions about our new payment system feel to contact me at 555-1234

Yours truly,

Dianne Dancer
